

Fond farewell

It has been my pleasure to serve our school as Alumnae Association Council president for the last three years, leading a group of women dedicated to reconnecting alumnae with each other and with Emma Willard School. However, I'm now a proud new mom and in order to spend more time with my family, I decided this spring to step down as president at the close of the school year. While I am sad to go, I leave a Council full of energetic and dedicated alumnae, women who generously share their good judgment and sound advice with the school.

I am excited to share the news that Sheila Stenhouse Lee '81 will be serving out the last year of my term as the next AAC president. Sheila has served on the council since 2005, most recently heading the Awards Committee. She grew up in the Capital District and now lives in Baltimore, where she is president and CEO of Sheila Lee & Associates, LLC. I'm confident that Sheila has the management and entrepreneurial skills required of the presidency, and I know that she will excel in this role.

In the fall, the AAC will add three new members-at-large, Liz Brannen '92, Katonya Mosley '94, and Devin Van Exel '99. If you are interested in serving on the AAC, please be in touch with the governance committee by email at alumnae@emmawillard.org. The committee maintains a list of interested alumnae, and welcomes new and energetic candidates.
