

Emma Willard once helped you prepare for a possibility-rich future. Here's a way to do it again. By establishing a charitable gift annuity, you can ensure a reliable income for yourself or a beneficiary while helping to support valuable opportunities for today's Emma students.

You can create a charitable gift annuity with a contribution of \$10,000 or more. In exchange for your gift of cash or securities, Emma Willard agrees to make payments to you or another beneficiary (60 years of age or older) for life.

The amount will never change, regardless of stock market or interest rate fluctuations. It is a simple way to invest in your future, while also investing in the future of your *alma mater*.

If you would like to learn more about this type of gift, return the attached response card or contact Michele Susko, director of planned giving, by phone at (518) 833-1788 or by email at [msusko@emmarwillard.org](mailto:msusko@emmarwillard.org).
